CASTILLE PARIS - STARHOTELS COLLEZIONE
Parisian allure, Italian style

Elegance, a warm welcome, and the immediate feeling of being immersed in the hotel's unique atmosphere, shaped by pastel tones and soft lighting, perfectly embody the spirit of Italian hospitality in Paris. The **Castille Paris**, a prestigious five-star hotel part of the Starhotels Collezione, enchants with its timeless charm. Whether classic, modern, or eclectic, its style effortlessly combines elegance and vibrancy.

Today, the Castille is the result of three different 18th century buildings brought together. At the beginning of the 20th century, the owner, heir of a royal Spanish family and refugee in France, named the hotel "Castille" in homage to its origins.
In 2005, Starhotels acquired the properties and opened the doors of its first hotel in France, which then became **Castille Paris – Starhotels Collezione.**

"The choice of the location in Rue Cambon, one of the most delightful streets in the city center, in the district between Place de la Concorde and Place Vendôme, is no

coincidence. The uniqueness of each location is one of the distinctive traits of Starhotels Collezione: we want our guests to truly perceive the destination's 'sense of place' and enjoy an experience worth sharing." claims Elisabetta Fabri, President and CEO of Starhotels.

The central location, within the 1st arrondissement, close to the "Maison Chanel" flagship store, where Mademoiselle Coco opened her first atelier, and to all the most exclusive boutiques in the world, plus the Champs Elysées, Louvre Museum, Jardin des Tuileries, and the magnificent Notre-Dame Cathedral, and many other Parisian landmarks, is the perfect choice both for those wishing to easily access airports and railway stations and for those who love to explore the city on foot.

Reception and hospitality

Following the renovation, the most distinctive features of this boutique hotel have been artfully brought out introducing new stylistic elements that, at the same time, accentuate the antique soul of this prestigious location.

The reception area is a pleasant surprise for first-time guests: vibrant color contrasts highlight the warm tones of the wood, suddenly evolving into soft shades of beige and green, in contrast with the eccentricity of opulent lounge sofas and exquisite period furniture. This orchestrated harmony of colors and styles immediately underscore Castille's unique and strong personality.

The lounge is an artful play of interlocking box shapes, an incredibly refined kaleidoscope of bold colours, where the walls play a fundamental role in the definition of volumes. Eye-catching sofas and armchairs sit beside simple coffee tables, antique paintings and prints conjuring a luxurious atmosphere.

It's at the concierge's desk that can be found Capucine, a gentle Chartreux kitten, which now greets guests, carrying on the legacy of Héliot, the Castille's iconic mascot who lived along corridors in search of cuddles for 10 years. A quite unusual presence for a 5-star hotel, Capucine greatly contributes to the Castille's warm and relaxed atmosphere, making guests feel even more at home.

The hotel's "**Les Clefs d'Or"** concierge is functional between 7:00 am and 10:30 pm to help guests organize sightseeing itineraries, book tickets for cultural venues, and take care of restaurant and meeting space reservations.

Castille offers a wide range of services designed to make each stay enjoyable and relaxing. Guests will have at their disposal all the services of a 5-star hotel, including a 24/7 room service, free Wi-fi connection and the possibility to book baby-sitting services.

L'Assaggio Restaurant

At **L'Assaggio,** guests are invited to a fine-dining journey where Italian purity meets culinary craft, creating dishes as captivating to the eye as they are to the palate, in a celebration of ingredients, aromas and flavours. For over a decade, L'Assaggio has brought the essence of Italian gastronomic excellence to the heart of Paris, offering local and international diners a distinctive exploration of Italy's regional traditions, with a signature emphasis on Piedmont's rich culinary heritage.

Starting January 2016, L'Assaggio menu bears the signature of **Ugo Alciati**, Michelin-starred Chef at the helm of the historic "Guido Ristorante" in Serralunga d'Alba, in northern Italy, a landmark of Italian cuisine, and Italian Truffle Ambassador throughout the world. Praised for his creative "clarity" and essential approach to enhancing ingredients, Ugo Alciati comes from a celebrated family of Italian culinary masters.
The new menu that the Chef brought to L'Assaggio is a homage to the flavors of Piedmontese terroir. Every bite carries guests on a journey through the history and the

heart of this region, a collection of traditional culinary culture with characterful nuances, raised to the highest level thanks to the chef's extraordinary talent in enhancing traditional recipes and high-quality seasonal ingredients.

Among the signature dishes, ***Vitello Tonnato,*** one of Ugo Alciati's most renowned recipes. Pasta dishes include ***Agnolotti di Lidia*** which arises from Ugo Alciati's mother's recipe, Lidia Alciati: one of the great Italian offerings described in cooking books. This dish is inspired by another symbol of Piedmont, also present at L'Assaggio: *Agnolotti del Plin,* served on a napkin just like the tradition requires.

Marco Terenghi, Executive Chef of L'Assaggio, draws on a distinguished career, including formative experience alongside Alciati, to reinterpret Italy's culinary heritage through a contemporary lens. His signature creations elevate the menu and usher in a new chapter in L'Assaggio's gastronomic story.

Set in a sophisticated Parisian ambience characterized by wooden furniture and embellished with gold accents, L'Assaggio Restaurant overlooks a bright patio, a private and elegant courtyard enriched by a monumental fountain that recalls Mediterranean landscapes and delicate frescoes. Framed by traditional azulejos and majolica ceramic wall tiles, the fresco adorning the patio depicts the Conquest of the New World by the Spaniards, an homage to the roots of the building's original owners.

L'Assaggio welcomes you every day from 12:30 PM to 10:30 PM, with an enriched menu featuring the signature dishes of Ugo Alciati, which have made its reputation (available during full service hours*). The business lunch is offered every midday, with a daily menu available from 12:30 PM to 2:30 PM.
*from 12:30 PM to 2:30 PM and 7:30 PM to 10:30 PM.
