Endless sea views, effortless Italian flair. Gazing out across the Trieste Gulf, the Savoia Excelsior Palace creates an unforgettable first impression. However, it's inside that the magic really begins. Following a full restoration, every fitting and furnishing shimmers with the hotel's historic grandeur – from the Belle Époque style skylight above the lounge to the rich fabrics. And, with most rooms boasting balconies looking out across the bay, it's a setting that nourishes mind and body. The Savoia Excelsior Palace is a member of Preferred Hotels & Resorts.
