Michelangelo

ROMA

The essence of Rome

Cosmopolitan style and classic grandeur. Ceaseless energy and timeless allure. In many ways, the Michelangelo epitomizes the contrasts and contradictions that make Rome one of the world's greatest cities. Standing just moments from the Vatican, in the heart of baroque Roma, it's hard to imagine a more central spot. Many of the 179 rooms have views across to St Peter's Basilica. While contemporary in style, the hotel is inspired by the same Italian spirit, personal touch, and attention to detail of its namesake: the grand master of Renaissance art.
