ROMA

As the saying goes, “when in Roma, do as the Romans do.” And few hotels capture the spirit of this dynamic city quite like the Metropole. Standing close to the Termini railway station and the Teatro dell’Opera di Roma, you’re in the midst of everything. Many of the top-floor suites even have views of St Peter’s Basilica. But, set apart from the whizzing Vespas and honking horns, this is also a peaceful spot, fully refurbished to offer comfort without compromise. For a taste of real Italy, as well as international favorites, the Apicio restaurant is fast becoming a Roma institution.
