

Metropole: Rome

As the saying goes, “when in Rome, do as the Romans do.” And few 4 star hotels capture the spirit of this dynamic city quite like the Metropole. Standing close to the Termini railway station and the Teatro dell’Opera di Roma, you’re in the midst of everything. But, set apart from the whizzing Vespas and honking horns, this is also a peaceful spot, fully refurbished to offer comfort without compromise.
