

New York style - Italian soul

Flair meets function. The eclectic meets the everyday. In many ways, The Michelangelo is quintessentially 'New York': a 4 star grand master of a hotel on the corner of 51st and 7th Avenue. Like the city itself, the hotel is a tapestry of influences, all wrapped up in authentic Italian elegance, chic style and family hospitality. It's a combination that places The Michelangelo among the best hotels in New York.
