

Paolo Scaccabarozzi is the new Executive Chef at the Rosa Grand Milano – Starhotels Collezione

Milan, 18 May 2023. The new Executive Chef, Paolo Scaccabarozzi, has recently arrived at the Rosa Grand Milano – Starhotels Collezione, an elegant hotel in the heart of Milano.

A native of Brianza, over the years Scaccabarozzi has acquired great experience in many Michelin-starred restaurants in Italy and abroad, taking part in the Culinary Olympics and various competitions.

His talent allowed him to hone his gastronomic art at the prestigious Hotel Cavalieri under the guidance of Maestro Gualtiero Marchesi and the French three-Michelin-starred Michel Bras.

He took over the restaurant service at the Rosa Grand a few months ago: Sfizio, the main restaurant, is the beating heart of the hotel, where the chef offers a new, yet highly respectful take on the cornerstones of traditional Italian cuisine with a spirit of innovation; he has also updated the menu for Roses Pizza & More, which looks out onto Piazza Beccaria and is dedicated to quality pizza and other delicacies.

At Sfizio, the chef brings his personality and creativity to bear on the great classics. The distinctive character he has developed over his career has also led him to make the most of artisanal ingredients and producers, with which he works skilfully and originally, and to favour short supply chains.

"I'm happy and proud to head up the restaurant service at the Rosa Grand, a benchmark for contemporary Milanese high-end hospitality," stated Scaccabarozzi. "The hotel's twin spirit – cosmopolitan but completely Italian too – lets me play around with classic dishes from our cuisine, not failing to enrich them with personality and fusion, bringing my great passion to the table."

Sfizio's offering plays on dishes full of flavour, always conceived according to the season.

The new menu proposes light, appetising antipasti such as Red snapper carpaccio with tomato powder extract,

Olives, capers and fresh oregano as a prelude to great traditional classics – like Milanese risotto with saffron pistils – as well as many exquisite fish and meat dishes, including Pasta with fish sauce extract, crispy breads nuggets, wild fennel and Sorrento lemon, without leaving out really tasty vegetarian and vegan dishes.

To enjoy the fine weather, the restaurant offers a large outdoor space rendered intimate by a border of hedges, a green lounge overlooking Piazza Fontana for refreshment after a long stroll in Milan, with the proposals from the chef, or lingering over a good glass of wine.

Sfizio is open every day from 12.30 to 2.30 p.m. for lunch and from 7 to 10.30 p.m. for dinner.
