Starhotels unveils the new Gabrielli Luxury Apartments in Venice

Venice, February 5, 2026 - After the reopening of Hotel Gabrielli Venezia – Starhotels Collezione in August 2025, following an extensive conservative restoration, **Starhotels** strengthens its presence in the city introducing a new, complementary hospitality offering: **Gabrielli Luxury Apartments**.

Designed for those who prefer to experience Venice with greater autonomy and privacy, the **Gabrielli Luxury Apartments** are set in a secluded and authentic context, just steps from the lagoon yet away from the busiest areas. The six residences are spread across three historic buildings adjacent to Hotel Gabrielli, reimagined with contemporary sensitivity by **Milanese designer Andrea Auletta**. This enhancement project combines the allure of Venetian heritage with the comfort of contemporary design, catering to an international clientele seeking an independent stay without compromising the high-level hospitality experience.

Each apartment is conceived as an independent residence: a separate living area, bright bedrooms, fully equipped kitchens, bathrooms with natural light, and artisanal attention to detail throughout the project.

«With the opening of the Gabrielli Luxury Apartments, Starhotels strengthens its presence in Venice, expanding our portfolio with a hospitality model that complements the hotel experience, still fully aligned with the Group's values: authenticity, meticulous attention to detail, and deep respect for the destinations in which we operate,» says **Salvatore Pisani, Starhotels' Area General Manager for Venice**. *«These residences offer a new take on the Venetian stay: more private and independent, while upholding the quality and excellence that have always defined us».*

The accommodation types cater to different styles of stay:

The **One-Bedroom Prestige Apartments** (39-55 sqm), overlooking Calle del Cagnoletto or Calle Morosina, authentic and tranquil Venetian corners, offer bright, well-proportioned spaces, with

canaletto walnut and Fior di Pesco marble kitchens, a cozy and intimate living area, and a quiet bedroom.

The **Two-Bedroom Deluxe Apartment with Terrace** (109 sqm), spread over three floors, stands out for its large spaces, with two separate bedrooms and two bathrooms, and its private panoramic rooftop terrace, ideal for admiring Venice from above.

The **One-Bedroom Heritage Apartments Garden View** (47-52 sqm), overlooking the serene garden of Hotel Gabrielli, reveal another facet of Venetian residence: exposed antique beams, dual aspect, and a refined atmosphere that invites a slower pace.

Guests will also have access to Hotel Gabrielli facilities, including **Felice al Gabrielli Restaurant**, **K Lounge Bar**, the scenic **Gabrielli Rooftop Terrace** with views of San Giorgio Maggiore, and the intimate hotel spa, featuring a sauna, Turkish bath, sensory shower, and private treatment room.
