

ROSA GRAND MILANO – STARHOTELS COLLEZIONE
A style icon in the heart of the fashion and design capital

It would be quite impossible to find a more strategic or prestigious location. The **Rosa Grand Milano – Starhotels Collezione** stands in the true heart of the city, overlooking the historical Piazza Fontana, behind the imposing Duomo cathedral, recalling its colors with the facade made of white marble and pink granite.

Milan's Fashion District is just a stone's throw away, and some of the city's great art collections (Palazzo Reale, Brera District, the Museo del Novecento) are literally around the corner as are the Galleria with its elegant boutiques and *belle époque* cafes and the Teatro della Scala, the world's most famous opera house. The Milan Stock Exchange, the city's beating financial heart, and the new skyscrapers are also quite near making the Rosa Grand a contemporary destination where business becomes leisure. Well connected by subway, tram, and sharing services for many kinds of transport, the Rosa Grand is the perfect starting point for discovering the best of Milan, Italy's most cosmopolitan and stimulating city.

A long history of hospitality

The history of the Rosa Grand is multilayered: originally, the spot where the hotel now stands was occupied by ancient Roman ramparts. The centuries that followed saw the construction of a monastery, which in the early 1900s was converted into a fashionable hotel for the international theater elite. It became the “Rosa” after the Second World War, taking the name of the new owner, in the 80s it was acquired by Starhotels and became “Grand” following the expansion in 2009.

The present structure combines three different buildings, the original structure accessible via a pedestrian passageway on Via Pattari, the one overlooking Via Cesare Beccaria, which was adjoined in the 90s, and the main building, which is also the most recent one, with entrance on Piazza Fontana.

Several reconstructions, renovations, and tasteful restylings have made the Rosa Grand one of the most appreciated hotels in the center of Milan, with exceptional capacity – 346 rooms of 7 different categories - and a widely versatile offering.

Comfort and luxury: a stylish discretion

Gold and pink are the chromatic notes that run like a melody throughout the hotel décor. Together they embody the twin souls of the Rosa Grand: luxurious yet comfortable, prestigious yet warm. Perfect for those who need a convenient base in the center of Italy’s hectic business capital, equally so for those looking for a romantic oasis to experience the more seductive, slow-paced side of Milan.

Every last detail of the hotel is considered with love and care, from the colors of the wallpapers to the comfortable **Starbed mattresses**, there’s even a **pillow menu** to accommodate the preferences of individual guests.

Particular attention has been devoted to the lighting design, as important as the works of art, the ample vases full of fresh flowers and the stylish armchairs. From the flood of natural light in the main hall guests proceed towards the suffused intimacy of the private areas, true metropolitan alcoves.

A multifaceted hotel: poetry and practicalit

Immediately upon setting eyes on the spectacular lobby from the main entrance on Piazza Fontana, brightened by a curved glass cover and crossed steel foils, guests can grasp the magnitude of the Rosa Grand. Considered one of the largest reception spaces in the center of Milan: 346 guestrooms, 8 meeting rooms, halls for banquets and ceremonies, terraces, patios, and the splendid Spazio Fontana overlooking the homonymous piazza. The interiors reflect the hotel's signature blend of functionality and aesthetic research.

A dedicated concierge desk is available to recommend itineraries, restaurants, boutiques, and the best transportation methods, and to book visits to monuments and museums upon request. The hotel also offers 24/7 room service, Wi-Fi connection throughout the hotel, a private garage with TESLA and Porsche charging connectors for electric cars, a chauffeur-driven car rental, as well as other services geared at making the guests' stay smooth and memorable. The housekeeping is impeccable and the staff's affable courtesy and elegance invariably wins over those who are looking for something more than cursory politeness.

On the hotel's ground floor guests can choose from an array of common spaces, all

spacious and welcoming: the Library, the Grand Lounge & Bar, and the exclusive terrace on via Pattari.

Yet despite its grandeur, every corner of the hotel conveys a sense of intimacy and discretion, thanks also to the romantic views of the Cathedral and the chance to reserve some areas of the Grand Lounge & Bar for private buffets or cocktail parties. From the Sala Aida, which can accommodate up to 300 people, to the most intimate Deluxe Room, the Rosa Grand constantly strives for the highest standards, customized to the needs of the most discerning travelers.

Rooms & Suites

The hallways of the Rosa Grand wind like a luxury labyrinth through the hotel. The 346 rooms are elegant worlds unto themselves, imbued with the vibrant energy of Milan. Here guests can be sure to find the best solution suited to their needs: from the gorgeous Suites overlooking Piazza Fontana to the Family Rooms, designed expressly for those traveling with kids; to the Grand Deluxe, designed with business travelers in mind.

Booking a Suite, a Junior Suite, or a Duomo Luxury Apartment, you will have free access to the exclusive **Golden Lounge**, a new intimate, elegant, and comfortable area, where you can work and relax during the day. An ongoing buffet, cozy sofas, business desks, and dedicated support to elevate guests' stays.

In the rooms recently remodeled by architect Andrea Auletta, who was also in charge of the design of the entire hotel, peacock blue engages in an eloquent dialogue with gold and pink, the signature colors of the hotel, with an occasional touch of sage green and ivory. Parquet floors, wood trims, bespoke gilded lamps, velvet satin draperies, and opaline glass panels inundate the bathrooms with natural light, as well as the powerful photographs of Maurizio Galimberti: everything oozes a typically Milanese taste for design, understated refinement, and impeccable craftsmanship.

An excellent dining experience in the earth of Milan

The gastronomic experience at the Rosa Grand spans the entire day and has been designed as a culinary itinerary, founded on the use of the finest fresh ingredients from artisanal suppliers. From breakfast to a late-night snack, guests are invited to explore the most exciting and authentic Italian flavors.

The morning starts at **Roses** with a breakfast served from 6:30 am to 10:30 am, featuring a range of sweet options accompanied by yogurt, fruit preserves and cheeses.

For a quick gourmet lunch or a formal dinner, the hotel welcomes guests at its flagship restaurant **Sfizio**, with a magnificent outdoor patio on Piazza Fontana, an ample and open space rendered private by a border of hedges. Sfizio's offering plays on dishes full of flavour, always conceived according to the season.

Guided by Chef Bruno Cefalà, **Sfizio** offers dishes that celebrate local and national excellence through the “Km Italia” philosophy: ingredients carefully selected from small producers, with sustainability and seasonality at the core. From *risotto with*

saffron pistils to a reinterpreted costoletta alla milanese, and creations such as the “Risotto Riserva San Massimo” with licorice and lemon-seasoned Mazara red prawn tartare, or the “Chef’s Raviolo” filled with Spilinga ’Nduja and ricotta, topped with cod mousse with wild fennel, Monaca figs, and fava bean tartare—each dish tells a story of territory, creativity, and passion. The elegant, welcoming atmosphere, complete with an outdoor area overlooking Piazza Fontana, enhances an authentic gastronomic experience in the heart of Milan.

Sfizio is open daily from 12:30 pm to 2:30 pm for lunch and from 7:00 pm to 10:30 pm for dinner.

The **Grand Lounge & Bar** enjoys an enviable position on Via Pattari, a lively pedestrian street just behind the Duomo. With its refined gold-leaf details, polished encausto walls and elegant furnishings, the Grand Lounge & Bar is a gem of contemporary sophistication. Here, guests can enjoy a selection of internationally inspired dishes such as the timeless *Club Sandwich*, *Caesar Salad*, *Niçoise Salad*, *Hamburger*, and classic Italian pizza.

The Grand Lounge & Bar is the perfect place to unwind at the end of the day. Every Wednesday, the space comes alive with *Golden Hour*: a buffet aperitivo accompanied by live jazz music. The drink list pays tribute to Milan through its neighborhoods—from Duomo to Brera, Sempione to Porta Venezia—each expressed through a blend of flavors and aromas inspired by the city. Signature cocktails such as *Duomo*, with spiced gin and a hint of wasabi, and *Sempione*, combining basil with citrus and vegetal notes, perfectly embody the Milanese spirit: sophisticated, bold, and contemporary. Impeccable, discreet service completes the curated gastronomic offering, making the Grand Lounge & Bar an essential stop for the true Milanese aperitivo.

Rosa Grand's understated elegance also makes it a frequent host for vibrant happy hours and high-level culinary events.
