

Ecofriendly tips

E.c.h.o.

Eco Contemporary Hotel

MILANO

- avoid wasting water
- switch off lights in rooms not being used (eg. in the bathroom if you're in the bedroom)
- unplug PC, battery chargers and iPod after using them
- switch the TV off before leaving the room
- don't open the windows when the heating or air-conditioning is on
- avoid causing excessive differences between outside and inside temperatures
- only ask for a change of linen if it's necessary
- sort your waste
- use bicycles or taxi/car sharing for moving around town
